You can find us on Google my business, or Google Maps, and use those apps to give you directions via whichever mode of transport you are using by clicking on any of the Directions buttons in the application.

If you haven't got that facility then you can use the address for your Satellite Navigation system (Sat Nav), or a street map.

If you are coming on public transport then the buses that come on to Abbey Lane itself, are the No. 76 buses to or from Lowedges, which will stop just a short way up the road from us, near the Abbey Lane Primary School.

Buses that stop on the A61, Chesterfield Road are numbers 24, 25, 43, 43A, 44, 75, 294 and X17. The nearest bus stops, in both directions, are just before the traffic lights at the junction with Abbey Lane. Ask the driver for the fare to the Abbey Lane stop on Chesterfield Road.
